Action Taken Report of teachers Feedback on the current syllabi: 2021-22

The BOS in the respective subjects prepare the syllabi with utmost care and by taking in to consideration the level of students and their capacities and abilities. From the academic year 2018-19 the KBCNM University has implemented CBCS pattern. So the new syllabus is now in the hands of students. In the last year (2020-2021) the feedback was collected and analyzed and the same was sent for further action. In this academic year due to COVID-19 pandemic period it was highly impossible to conduct face to face feedback program yet the teachers tried to respond the feedback to the new syllabi. Total 10 teachers responded the new syllabi. Through the questionnaire all the aspects of the syllabi are touched upon and assessed.

Majority of the teachers focused on the following points:

- The syllabus is appropriate and well designed '
- The syllabus is research oriented and possibilities of community projects and social work. .
- The syllabus is sufficient for the course time and useful for daily life. .
- The new syllabus is ICT based. .
- The new syllabus fulfills the needs of society.

In this way the current syllabus is very useful and there were only a few negative responses that can be ignored. Of course telephonically the remarks were communicated to BOS members. Not only this, written messages and responses were also communicated regarding the current syllabi.
