Action taken report

According to the feedback report, Some opinion from students side, near about 0.5% of the responses were negative as shown in some comments and in Q-3 and Q-11.

Comments-1)

It would be better if you dont give her main subject like skills and generic and practical to her she don't know how to interact and teach us.

Comments-2)

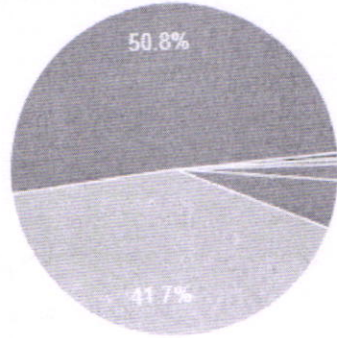

Yes,because mam could not teach us proper way and sometimes mam gets irritates and behave angry with us.

More information was sought about the teachers who had such negative feedback and the feedback received by these teachers was discussed. And according to the instructions received from such students, the teaching method was changed among the teachers.

However, it is true that the method of education and the method of getting education is changing according to the above method.
